DIGITAL WALL TILES

Imperio Stone

AESTHETIC ESSENCE WITH FUTURISTIC VIEW POINT

Experience the moments of your lifetime. A place holds lots of memories and we work to make the ambience of these places worth your memories. We bring the exceptional beauty of innovative creations. Never generalise, get your aura unique designs.

We give power to your place. An ambience that talks to your audience that brings the aura of serenity and tranquility without any efforts; because we put in the efforts while framing the extraordinary designs for you.

EVERY SINGLE PLACE INSPIRES US TO CREATE NEW LIVING

Inputting scholar manpower at work along with the state of the art technology, has achieved the title to epitome of Ceramic tiles manufacturer. The company intends to serve the best with high quality and accuracy, in result bringing the gratifying innovation to the market. The company's philosophy says that they don't merely manufacture but create art and craft visuals that surpass the general beauty standards.

was pioneered in Morbi with a vision to combine the 5 elements of mother nature; Air, fire, water, earth, space and process them to get a output that has all the qualities of these components. Company intended to modify the nature to develop something so beautiful that elevates your ambience and leaves everyone in awe of the inspiring decor you bring to them.

The state of the art technology coupled with exciting design support, made the company become the leader in wall tiles in India. Internationally, the company has done extremely well in expanding its market base in very short period. Its Distribution channels and excellent brand image make the company a favourite of the distributors across India. The styles and the new introductions are always waited for and cherished.

Our Mission

We intend to conduct our business in a way that not only meets but exceeds the Expectations of our customers, business partners, distributors, buyers and creditors, as Well as the communities in which we operate and society at large. As a part of our mission we will

- Empower and train our employees to deliver better work outputs.
- We will introduce the designs that become the new trend, benefiting our customers.
- We will make our products easily available and largely affordable to make our distributors and importers profitable.
- We will make all our actions socially and morally responsible

Imperio Stone

Our Technologies

The Plant consists a Heavy Capacity Presses, (Made in Italy) Glazed Lines, Roller Kilns (All Made in Italy), Boil Mill Grinding Unit, Spray Dryer Made in China. Raw Material is procured from famous supplier and being brought from Rajasthan and also imported from Ukraine.

Technology-Certified

THE RESULT OF A REVOLUTIONARY TECHNOLOGY THAT **ELIMINATES**

Imperio Stone

IWe bring the revolutionary mechanism to manufacture modern tile collection. The technical know-how we use has the most upgraded version that can create great designs for your decor.

Merely technology can not bring the results we intend to provide. Our exceptional scholars put in their best work in their knowledge to get a output that not only satisfies our customers but make us the leading manufacturer as the best quality providers.

Superior technical characteristics of our wall tiles makes them suitable for use as work tops of all kinds, with a visual appeal that equals and even surpasses that of any other material.

With the help of pressure and temperature we transform 100% natural materials into porcelain surface which combines the best of ceramics design with natural stone resistance.

PACKING DETAILS

DIMENSION	PIECES	COVERAGE
300 X 600 MM	5	0.90 Sq.Mtr.

Note:

Colour Shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserve the right to change the specifications without prior notice. Sometime variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
